### INFORMAL INTERACTION WITH DRUG LIAISON OFFICERS (DLOs)

ANF arranged a recreational trip of Drug Liaison Officers (DLO) to Murree. 33 diplomats along with their families cherished the event at Army Golf Club. The resort took everyone to fantasy of mountains covered with lush green trees, cold atmosphere, fresh air, a little bit of rain & hailing, whirling golf track in heart-touching valley and predominantly clouds hugging them. The event provided an opportunity of leisure and informal interaction amongst drug related counterparts, hence boosting pleasure and understanding, all encompassing.

The event is marked as first ever convention to take the youth on board for Anti Drug Campaign. The participants highlighted hazards of drugs, quantum of drug threat, metabolism disorder due to drugs, drug challenges to youth and national / moral responsibilities of youth. Peer pressure was recognized as the core cause of addiction amongst students and street children. DG ANF Major General Khawar Hanif emphasized that youth should be mindful of their thoughts, words and actions, because these are the base-line check points to limit impending threat of addiction.

Basic purpose of the convention was to motivate the youth to join hands with ANF in making "Drug Free Society" as well as to inculcate instinctive reaction to "SAY NO TO DRUGS" at the very outset. The event also emphasized to organize healthy opportunities to youth, hence providing constructive alternate recreational / informational social works.

ANF have launched "Youth Ambassador Program" on its website, whereby a number of volunteer youth got registered and engaged in Anti Drug campaigns. The venue was embellished with Anti Narcotics posters, placards and advertisements. The event concluded with presentation of souvenirs and gifts to prominent youth members, speakers, media persons & volunteer workers.
