HQ ANF

ANF POISED TO LAUNCH SPECIAL ANTI DRUG DRIVE IN APRIL 2016

On special instructions of DG ANF Major General Nasir Dilawar Shah, ANF is launching a special Anti Drug Drive in April 2016. This campaign will be homed against street suppliers, especially to educational institutions / Youth at Islamabad and all provincial capital cities of the country.

ANF intelligence setups have been tasked to monitor and evaluate their targets, penetrate into drug supply rings and enhance actionable capacity to remain effective even after arrest of 1st and 2nd tiers of drug supply chains.

Other arrangements included beef-up of resources in target cities; organizing Raiding Teams and necessary rehearsals, making-up special interrogation and track-back teams, detailing of Investigation Officers, availability of Lawyers to meet justice and administrative arrangements for prisoners.

At the very outset, difficulty is being faced in collection of information, since youth lies towards soft-lead of information. Likewise, there is high precaution / reluctance in cooperation by educational institutions. Nevertheless, the commitment of ANF will leave no stone unturned to meet desired objectives.

ANF Youth Ambassadorship

ANF Youth Ambassadors Convention was organized at Topi Rakh Auditorium, Ayub National Park, Rawalpindi from 6 to 7 April 2016. DG ANF Major General Nasir Dilawar Shah HI(M) was the chief guest of the event. The occasion was addressed by Professor Dr Rizwan Taj (PIMS), Professor Dr Bushra (FJWU), Mr Mansoor Ahmed (Ex Hockey Olympian), Senior Analyst Mr SK Niazi, Hasnain Ali Abbasi (President National Youth Assembly), Professional Youth Motivators Sidra Zafar and Zaydan Khan and Force Commander ANF Brig Ramzan Gill. Event was attended by Youth Ambassadors, International Partners, NCD, NGOs, Media Persons, Teacher Community and Students from Quid-e-Azam University, Muhammad Ali Jinnah University, Federal Urdu University, Fatima Jinnah Women University, Islamic International University, NUML, Foundation University, Preston University and various government / private schools and colleges.

ANF Youth Ambassadors Program is basically homed on to take youth on board for awareness / drug abuse prevention with the message "Say No To Drugs". It aims at promoting mass awareness on drug abuse, highlighting emerging trends of drug abuse in society, raises awareness amongst youth specially children, parents and teachers. It provides platform for projecting youth talent and confidence building with a view to channelize role of youth in serving humanity and society without any discrimination & exploitation.

While addressing the occasion DG ANF stated that ANF Youth Forum has already achieved significant successes i.e. creation of a country-wide Youth Hierarchy and multi-directional forum to engage society. Moreover, online communication system (www.anfnorthregion.gov.pk.) made this forum quite accessible, readily available as well as time & cost effective. He told that its success can well be estimated that since its inception in June 2014, it has over 5000 active Youth Ambassadors throughout the country, who will definitely be inflicting very positive effects on Pakistani Society in future.

He further said that problem of drug abuse cannot be surmounted without the active participation of all segments of the society; hence warrants concerted endeavors by all through a multi pronged and well integrated strategy. While talking about ANF Enforcement measures, DG ANF announced that in near future ANF is going to launch a special “Anti-Drug Drive” in major cities of the country, for which ANF intelligence network is in the process of monitoring and evaluating its targets. Soon there will be a boost in already underway anti-drug operations especially focusing on provincial capital cities of the country.

Other participants highlighted Drug Challenges to Youth, Effects of Drugs on Health, Role of Sports in Fighting against Narcotics, Role of Academic Institutions against Drug Abuse Role of Media against Drug Abuse and National Responsibilities of Youth in Drug Awareness. “Peer Pressure” was recognized as the core cause of addiction amongst students and street children.

Basic purpose of the convention was to motivate the youth to join hands with ANF for its efforts of achieving the concept of “Drug Free Society” as well as to inculcate instinctive reaction to “Say No To Drugs” at the very outset. The event also emphasized to organize healthy opportunities to youth, hence providing constructive alternate recreational / informational social works. The venue was embellished with Anti Narcotics posters, placards and advertisements. The event concluded with presentation of souvenirs and gifts to prominent youth members, speakers, media persons & volunteer workers.
